

**Supplementary Table 1.** JCS scoring

<b>JCS</b>	<b>Level of consciousness</b>
0	Alert
One digit	Awake without any stimuli
1	Almost fully conscious but not normal
2	Unable to recognize time, place, and person
3	Unable to recall name or date of birth
Two digits	Arousable by some stimuli but reverts to previous state if stimulus stops
10	Arousable by being spoken to
20	Arousable by loud voice
30	Arousable only by repeated mechanical stimuli
Three digits	Unarousable by any forceful stimuli
100	Unarousable but responds to avoid the stimuli
200	Unarousable but responds with slight movements, including decerebrate or decorticate postures
300	Does not respond at all
